Q: Please provide a brief biography of yourself for the voters.

A: I was born and raised in Old Greenwich, and graduated from Greenwich High School in 1994. I practiced law in California, and I am now a father to three girls, all enrolled in Greenwich Public Schools.

Q: What are one or two pressing challenges of the upcoming term and how would you approach them?

A: As a RTM rep for Old Greenwich, I was proud to advocate for renovating Old Greenwich School. Now it's time to improve Riverside School, and I look forward to helping them receive the needed funds.

Q: In April, the Board of Estimate and Taxation (BET) voted to reduce the Greenwich Public Schools budget by approximately \$4 million. This reduction allowed GPS to increase its budget year over year by 3% (vs 5%). [Minutes of the FY 2025-2026 Budget Decision Day Three (3) Meeting of the BET held April 4, 2025]. What is your position on this decision?

A: The BET's school budget cuts were ill-conceived and poorly-executed. The Board of Education's original budget request was based on careful financial analysis and approved on a bipartisan basis. The BET, on the other hand, first determined their desired mill rate and then reverse-engineered the budget cuts needed to achieve it. It is my experience that Greenwich Public Schools deliver excellent educational results and a very good value to Greenwich parents. The ostensible \$4M savings were not worth the chaos they caused for school start times, bus schedules, and parent headaches.
